Conditions of Use Agreement

Permission

In purchasing a photographic reproduction, whether a print or a digital image, the researcher obtains permission for a one-time only use. **Permission is not granted for further reproduction** or for use other than that specified in the original photograph order.

Publication and Exhibition Credits

We require that all Sechelt Community Archives photographs that are published or exhibited in any format include a credit as to the source of the photograph as in the following example: "Sechelt Community Archives, Photograph #6.1.101." When the photographer is known, use the following format: "Sechelt Community Archives, Jane Doe Photograph, Photograph #6.1.101."

Web Publication

Images published on a web site should be no more than 72 dpi, 550 pixels measurement on the long side. Credits as specified above are required, as well as a link to the Sechelt Community Archives Search Photos page:
<http://www.archives.sechelt.ca/search.html>

Copyright and Privacy

Responsibility for infringement of copyright or invasion of privacy resulting from the use of reproductions from the Sechelt Community Archives is assumed by the user.

Photograph Number(s) of images to be reproduced:

Statement of Intended Use

- Reproduction(s) for personal use only and will not be used for publication, exhibition or commercial use
- Reproduction(s) intended for publication, exhibition, or commercial purposes. Provide details:

I understand and agree to the Conditions of Use above and realize that purchase and possession of these reproductions gives no right of further reproduction or any use other than that described above without additional permission in writing from the Sechelt Community Archives.
